A LITTLE ABOUT US

Rose City Rollers (RCR) was founded on the mantra, "by the skater, for the skater." Our sport has led the way in celebrating body-diversity, LGBTQIA+ skaters, and creating safe spaces for junior and adult skaters to be their most authentic selves. Keeping with our history, RCR continues to break down barriers to sports by making skating accessible to all. As a largely volunteer-run organization, skaters and community volunteers are heavily involved in decision making, running programs, participating in our DEI committee, and making RCR a passionate, fun, and inclusive community. The sport is exciting, the competition is fierce, and fans can count on a dynamite experience!

OUR MISSION STATEMENT

The Rose City Rollers mission is to serve women, girls, and gender-expansive individuals who want to play the team sport of roller derby, connect with an inclusive community, and realize their power both on skates and off.

OUR VISION STATEMENT

To create a local and global sports community that is inclusive and transformative.
